Dear Mr. Hough:

This is to inform you that the Department of Water Resources received the 2010 Urban Water Management Plan for the Riverside Highland Water Company on June 23, 2011. I noted, however, that there was no CD of the plan included in the package. It would be most appreciated if you would forward a CD via US mail or email a .pdf of the Plan to my attention at your earliest convenience. The reviewer of your plan will be contacting you.

Thank you and have a great day,
